

Change Team Minutes: August 28, 2014

3:00 - 3:25p **Welcome and Round Table Introductions** – Janelle Sgrignoli

Janelle opened the meeting by greeting all attendees and reminding us that University of Arizona staff are here observing us today. She then asked everyone to do a brief introduction of themselves and the agency they represent.

Judge Dingley was invited to front to talk a little bit about the change in Judicial Fellow leadership. Judge Dingley will be stepping forward to be the ‘front seat driver’ of the Judicial Fellowship team, however Judge Weiss will still be involved with Reclaiming Futures and Change Team.

Judge Dingley spoke a little about her background and stated that she had very big shoes to fill! She discussed her recent and upcoming meetings with all the Fellows (and Britt) in an effort to get up to speed and make sure we continue to move forward. Judge Dingley said she is very excited to be part of the team!

3:25 – 3:45p **2013 Vision- Where are we at?** – Janelle Sgrignoli

Janelle led us into work time by reviewing the 2013 Vision steps laid out by Change Team members and Fellows and discussing what we have accomplished (a lot!), what we are currently doing and what we still need to work on. We have made amazing strides in the past year and a half, so let’s keep that going!

The goal of this activity was to take a big picture approach to our vision steps and decide which steps the Change Team should focus on for the next 6 months.

3:45 – 4:35p **Small Group Brainstorming**

With the help of a PowerPoint slide print out, each table group started brainstorming to prioritize the vision steps we haven’t yet worked on. The goal was to produce 3-4 top priorities to present to the large group.

See the results of the whole Change Team brainstorming below.

Because we had a small turnout, it was agreed to send the list out to all members prior to the next Change Team meeting. Members not in attendance on August 28th will be asked to review the list and determine what area most interests them. This list will become the Change Team’s priority work list for the next several months.

This is the next step on our journey and we need all of you to keep the momentum going!
